Undervoltage release, 208-240VAC

Part no. **IZM-UVR230AC**
Article no. **122952**

Delivery programme

Accessories			Voltage release
Accessories			Undervoltage release
For use with			IZM20, 32, 40, 63… IN20, 32,40, 63…
Instructions			If ordered separately a secondary terminal unit IZM-SEC-… is necessary for connection. Order separately if required. Terminal assignment page 71

Technical data

Rated control voltage

AC 50/60 Hz	U_s	V	208 - 240

Power consumption

AC		VA	10 (pick-up 400)
Circuit-breaker response time at U_s		ms	70

Operating range

Drop-out voltage		x U_s	
AC operated, 50/60 Hz, pick-up	Drop-out	x U_c	According to the IEC standard
Pick-up voltage		x U_s	
	Pick-up	x U_c	According to the IEC standard

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70
