
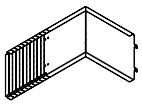
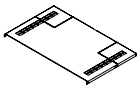
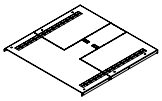
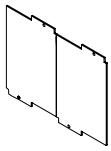
Features:
- Internal partitioning of forms 2b or 4b
- Degree of protection IP20









Section depth	Section width	Module width	Module height	Type Partitions form 2b **Coupling / dropper bar area**	**Component mounting area/ component mounting area horizontal**[1]	**Busbar area top**	Type Partitions form 4b (supplement 2b partitions) **Connection area/cable connection area**
				Article no.	Article no.	Article no.	Article no.
mm	mm	mm	mm	1 off each	1 off each	1 off each	1 off each
Sections with rear cable connection area for rear dropper bar position up to form 4b, actuation external via cover plate or behind additional component mounting area door
