Reference: 037H350102

Type Code CI 5-2 , Weight 0.205 Kg , AC-1 Ith, open 16,0 A

[Buy it at Electric Automation Network](#)

CI 5 contactors cover the power range up to 5.5 kW and are available for AC and DC coil voltages enabling reliable working with extremely low and high voltage fluctuations. Characteristic of the contactors is that they are compact and suitable for applications where space is at a premium. With atd>

Type Code	CI 5-2
Weight	0.205 Kg
AC-1 Ith, open	16,0 A
AC-1 load Ithe, encl.	12,0 A
AC-3 Ie	3,7 A
AC-3 power [220-240 V]	1,1 kW
AC-3 power [380-500 V]	1,5 kW
Approval	C UL US, CE, EAC
Built-in aux. NC contacts	2

Built-in aux. NO contacts	2
Coil voltage	24 V
EAN no.	5702423265886
Max. atd>	4
Descript.	CONTACTOR
Prod. Group	Contactors and motor starters
Prod. name	CONTACTOR
