Automation specialists

Reference: 037H350532

Type Code CI 5-9 , Weight 0.164 Kg , AC-1 lth, open 20,0 A

[Buy it at Electric Automation Network](#)

CI 5 contactors cover the power range up to 5.5 kW and are available for AC and DC coil voltages enabling reliable working with extremely low and high voltage fluctuations. Characteristic of the contactors is that they are compact and suitable for applications where space is at a premium. With atd>
