Reference: 107 V PG11 PVC  
Code: 2029723

Sealing plate , PG11, Light grey, 7035,  
Polyvinylchloride, PVC

[Buy it at Electric Automation Network](#)

The sealing plate offers both mechanical protection and the maintenance of the protection rating of plastic and metal cable glands to DIN 46320 before cable installation.

Application: the discs are placed between the pressure screw and the pressure ring. If the safe maintenance of IP65 is required, we recommend placing the discs between the pressure ring and the sealing ring. To mount the cable, remove the discs - they can be reused.
