System package - IBS ECO-LINK SYSKIT - 2746524

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

- System package, contains:
- INTERBUS master interface IBS ECO-LINK
 - Documentation, driver, monitors
 - Adapter set with 0.5 m cable for supplying the IBS ECO-LINK SYSKIT
 - V.24 cable (1 m)
 - INTERBUS cable (3 m)

Product Description

IBS ECO-LINK is a different approach for the use of the INTERBUS system on IBM-compatible PCs. IBS ECO-LINK is an inexpensive solution which offers easy handling for simple control tasks. The user has almost immediate success, since the signals of the peripherals are made available in the PC without any great effort.

IBS ECO-Link is ideally suited for startup and servicing purposes. In addition, the IBS ECO-LINK can also be used for measurement value acquisition, e.g. when using portable computers, as a control unit for uncomplicated machines and small systems. Bus operation and protocol handling are carried out by the PC. IBS ECO-LINK is connected to the serial interface of the PC, making the performance of the system very dependent on the type of processor used and its workload.

The driver software for Windows and DOS is an integral part of the product, just as the sample programs and a monitor are, but it does not have to be installed separately as the serial drivers of the operating system are used. The latest particular version can be found on our web site. The driver allows you to create powerful INTERBUS applications using C, C++, Delphi or Visual Basic quickly and easily.

Key Commercial Data

Packing unit	1 STK
GTIN	 4 017918 884635

Technical data

Note

Utilization restriction	EMC: class A product, see manufacturer's declaration in the download area
-------------------------	---

Articles in set

Adapter set - PSM-VLTG-USB/PS2/0,5 - 2708025

Adapter set with 0.5 m cable, to supply the PSI Bluetooth RS-232 adapter from a USB or PS2 interface

System package - IBS ECO-LINK SYSKIT - 2746524

Articles in set

Termination board - IBS ECO-LINK - 2746346

INTERBUS Master Interface including: - Driver software for DOS and Windows - User documentation in German and English - Monitor programs - Cable for the power supply

Data cable - PSM-KA 9 SUB/SB/1METER - 2799788

V.24 cable, for the connection to IBS ECO-LINK
