FASTCON Pro plug set consisting of four plugs with push-in connection, one for each position on the module. Suitable for all MINI Analog Pro modules.

Product Description

FASTCON Pro plug set consisting of four plugs, one for each position on the module. Suitable for all MINI Analog Pro modules. The plugs can easily replace the existing plugs, for example, to change the connection technology. As such, lost plugs can be replaced. Four-way coding prevents incorrect insertion into the device.
