MANUFACTURER'S DECLARATION
Danfoss A/S

Declares under our sole responsibility that the product(s)

ETS 12.5 - 400

Have the below maximum temperatures:

TS = 105°C (TS= Safe temperature for MWP)

Maximum operating temperature = 70°C

Operating, storing or otherwise exposing the product(s) to temperatures above the maximum operating temperature, may damage the functionality of the product(s), or create small leaks.

Operating, storing or otherwise exposing the product(s) to temperatures above the maximum operating temperature while not above TS and not above the maximum operating pressure (PS) will not result in hazards from pressures inside the product(s).

The products covered by this declaration are compatible with the refrigerant R-1234ze, provided that the product is used in accordance with our instructions.
