

fuse-links

Part no.

Z-C10/SE-10A/PV

EATON®

Powering Business Worldwide™

Article no.

122071

Delivery programme

Product range		Fuse material
Basic function		Accessories
Basic function		Fuse-links, photovoltaics
		Maximum DC rated operating voltage of the fuse insert $1.2 \times V_{cc}$ of the string (V_{cc} ... open circuit voltage of the string) Rated operational current I_h of the fuse insert must be greater than/equal to $1.5 \times I_{sc}$ (I_{sc} ... short circuit current of the PV module)
Size		10 x 38
Rated operational current	I_e	A
Rated operational voltage	U_e	V DC

Technical data ETIM 4.0

With striker		No
Rated operating voltage (value)		-
Size		10x38 mm
Rated operational current		A 10
