

Latch check switch, 1C/0

Part no. IZM-LCS
 Catalog No. 122959
 Eaton Catalog No. 2A10707G02

Delivery program

Accessories			Auxiliary contact
Accessories			Latch check switch
For use with			IZM20, 32, 40, 63... IN20, 32, 40, 63...
Instructions			For external application

Technical data

Rated breaking capacity

Inductive load			
250 V AC		A	10
125 V DC		A	0.5
250 V DC		A	0.25

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70
