

# DATASHEET - IZMX-IB40

**Phase barrier**

**Part no.** IZMX-IB40  
**Catalog No.** 156668  
**Alternate Catalog No.** IZMX-IB40

Powering Business Worldwide™

## Delivery program

Product range			Accessories
Accessories			Interphase barriers
Accessories			Connection insulation
For use with			IZMX40... INX40...

## Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70

## Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)			
Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])			
Type of accessory			Other
