## **DATASHEET - IZMX-IB40**

Phase barrier

Powering Business Worldwide

Part no. IZMX-IB40 Catalog No. 156668 Alternate Catalog IZMX-IB40

**Delivery program** 

Product range	Accessories		
Accessories	Interphase barriers		
Accessories	Connection insulation		
For use with	IZMX40 INX40		

## Design verification as per IEC/EN 61439

Technical data for design verification		
Operating ambient temperature min.	°C	-25
Operating ambient temperature max.	°C	70

## **Technical data ETIM 7.0**

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)

Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])

Type of accessory Other
