

Buzzer, 230VAC

Part no. **ASBUZZ230**
167395

General specifications		
Product name		Eaton Distribution parts
Part no.		ASBUZZ230
EAN		4015081638925
Product Length/Depth		90 millimetre
Product height		70 millimetre
Product width		18 millimetre
Product weight		0.059 kilogram
Compliances		RoHS conform
Product Tradename		None
Product Type		Distribution parts
Product Sub Type		None
Public Consumption		Yes
Product Family Description		ES-PMCC-PDC-Eaton Distribution parts
Globally Marketable		Yes

Technical data ETIM 9.0

Optical and acoustic signalling equipment (EG000035) / Buzzer (EC000844)		
Electric engineering, automation, process control engineering / Electrical installation, device / Signaling technique / Buzzer (ecl@ss13-27-14-32-24 [ADI353012])		
Nominal voltage		V
Type of current		
Electricity consumption		A
Degree of protection (IP)		
Degree of protection (NEMA)		
Loudness		dB
Housing material		
Housing material quality		
Surface protection housing		
Housing colour		
Type of tone		
Mounting method		
Built-in transformer		No
