

**Self-tapping screw, captive**

**Part no.** UBS4,8

**Catalog No.** 002288

**EL-Nummer (Norway)** 2502066

Powering Business Worldwide™

**Delivery program**

Product range		xEnergy Safety Ci
Basic function		Accessories
Product function		Accessories for mounting systems Mounting system
Accessories		Captive screw
Single unit/Complete unit		Modular system
Description		For mounting the installation systems directly in the lower part of the housing Spare parts
For use with		M3-CI... & M-CI... mounting panels MM-CI...perforated panels ML-4-CI module strips CL mounting rails ZK-4...-CI counter circuit SL630-ADP-CI support angle adapter

**Technical data ETIM 7.0**

Fasteners (EG000049) / Tapping screw (EC000889)		
Machine element, fixing, mounting / Screw, nut / Screw (with head) / Tapping screw, drilling screw (ecl@ss10.0.1-23-11-01-12 [ACZ243014])		
Material		Steel
Material quality		Other
Surface protection		Galvanic/electrolytic zinc plated
Head form		Other
Thread type		Other
Thread diameter	mm	4.8
Thread size (imperial)		Other
Thread per inch		1
Length	mm	30
Screwing system		Pozidriv PZ
With point		Yes
Hardened		Yes
Self boring		Yes
