LS45M72C11 Limit Switch

**Buy it at Electric Automation Network** 

### LS45M72C11 Limit Switch

### Ordering

| EAN:                    | 3471522614384 |
|-------------------------|---------------|
| Minimum Order Quantity: | 5 piece       |
| Customs Tariff Number:  | 85369085      |

### **Dimensions**

| Product Net Width:  | 40 mm    |
|---------------------|----------|
| Product Net Weight: | 0.285 kg |

### **Container Information**

| Package Level 1 Units:        | 1 piece       |
|-------------------------------|---------------|
| Package Level 1 Width:        | 200 mm        |
| Package Level 1 Height:       | 70 mm         |
| Package Level 1 Length:       | 45 mm         |
| Package Level 1 Gross Weight: | 0.285 kg      |
| Package Level 1 EAN:          | 3471522614384 |

### Environmental

| Ambient Air Temperature: | Operation -25 +70 °C<br>Storage -30 +80 °C |
|--------------------------|--------------------------------------------|
|--------------------------|--------------------------------------------|

| Resistance to Shock acc. to IEC 60068-2-27:     | Half-sine Pulse for 11 ms, No Change in Contact Position 50 m/s <sup>2</sup>  |
|-------------------------------------------------|-------------------------------------------------------------------------------|
| Resistance to Vibrations acc. to IEC 60068-2-6: | 25g (10 to 500 Hz) no change in position of contacts greater than 100 $\mu s$ |

# Technical UL/CSA

| Pilot Duty of Contact Elements acc. UL508: | A600<br>Q600 |
|--------------------------------------------|--------------|
|--------------------------------------------|--------------|

# Additional Information

| Action Type of the Contact Element (acc. to IEC 60947-5-1): | overlapping slow action contacts                                         |
|-------------------------------------------------------------|--------------------------------------------------------------------------|
| Actuation Speed:                                            | acc. to IEC 60947-5-1Max. 1.50 m/s<br>acc. to IEC 60947-5-1Min. 0.06 m/s |
| Actuation Torque:                                           | acc. to IEC 60947-5-1Min. 0.15 N·m                                       |
| Actuator Type:                                              | addjustable Ø 6 mm polyamide rod lever                                   |
| Angular Head Adjustment:                                    | adjustable head every 90°                                                |
| Angular Lever Adjustment:                                   | 9° in 9°                                                                 |
| Climatic Withstand:                                         | according to IEC 68-2-3 and salty mist according to IEC 68-2-11          |
| Connecting Capacity:                                        | AWG 20 AWG 14<br>0.5 2.5 mm <sup>2</sup>                                 |
| Connecting terminals (delivered in open position):          | M3.5 (+,-) pozidriv 2 screw with cable clamp                             |
| Consistency (Measured over 1 Million Operations):           | 0.05 mm                                                                  |
| Contact Element Form (acc. to IEC 60947-5-1):               | Zb                                                                       |
| Conventional Free-air Thermal Current (I <sub>th</sub> ):   | acc. to IEC 60947-5-1, q = 40 °C 10.0 A                                  |
| Degree of Protection:                                       | acc. to IEC 60529 IP66                                                   |
| Electrical Shock Protection acc. to IEC 536:                | Class I                                                                  |
| IIT Publishing Status:                                      | Level 0 - Information enabled                                            |
| Load Factor:                                                | .5                                                                       |
| Maximum Electrical Switching Frequency:                     | 3600 cycles per hour                                                     |
| Mechanical Durability:                                      | 25 million                                                               |
| Mounting by Screws (not supplied):                          | 2 or 4 x M5 screws                                                       |
| Mounting Position:                                          | all positions are authorised                                             |
| Movement to be Detected:                                    | Fully Directional Translation Movement                                   |
| Number and Type of Bottom Cable Glands:                     | 1/2 NPT cable gland                                                      |
| Number of Auxiliary Contacts NC:                            | 1                                                                        |
| Number of Auxiliary Contacts NO:                            | 1                                                                        |
| Operating Head Shape:                                       | D shape acc. EN 50041                                                    |
| Positive Opening Operation of NC Contact(s):                | No                                                                       |

| Product Main Type:                                   | LS40                                                                            |
|------------------------------------------------------|---------------------------------------------------------------------------------|
| Product Name:                                        | Limit Switch                                                                    |
| Rated Frequency (f):                                 | Supply Circuit 50 Hz<br>Supply Circuit 60 Hz                                    |
| Rated Impulse Withstand Voltage (U <sub>imp</sub> ): | 6 kV                                                                            |
| Rated Insulation Voltage (U <sub>i</sub> ):          | acc. to IEC 60947-5-1 and VDE 0110 (Gr. C) 690 V acc. to UL/CSA 600 V           |
| Rated Operational Current AC-15 (I <sub>e</sub> ):   | (130 V) 5.5 A<br>(230 V) 3.1 A<br>(240 V) 3 A<br>(24 V) 10 A<br>(400 V) 1.8 A   |
| Rated Operational Current DC-13 (I <sub>e</sub> ):   | (110 V) 0.6 / 66 A<br>(24 V) 2.8 / 67.2 A<br>(250 V) 0.27 / 67.5 A              |
| Resistance Between Contacts:                         | 25 mΩ                                                                           |
| Standards:                                           | IEC 60947-1, IEC 60947-5-1, EN 60947-1, EN 60947-5-1, UL 508 and CSA C22-2 N°14 |
| Terminal for Protective Conductor:                   | M 3.5 (+,-) pozidriv 2 screw with cable clamp                                   |
| Terminal Marking:                                    | according to EN 50013                                                           |

# Certificates and Declarations (Document Number)
