Reference: 047B3014

Type Code CTI 100 , Weight 1.85 Kg , Approval C UL US, CE, EAC

Buy it at Electric Automation Network

The CTI product range is modular, flexible and offers a large selection of clip-on auxiliary functions and accessories: Aux. contacts, alarm contacts, voltage- and undervoltage trips. Compact design DIN rail mounting Motor application Short-circuit protection Overload protection of motors (31.5 - 45 kW) Setting range: 40 - 90A Operation switch (manual motor starter) Isolation switch (with locking device) Emergency switch (with undervoltage trip) Indications: Test and reset functions ON or OFF Thermal and electromagnetic trip

Type Code	CTI 100
Weight	1.85 Kg
Approval	C UL US, CE, EAC
Breaking cap. Ics, 380-415 V	50 kA
Current range	40,00 - 63,00 A
EAN no.	5702423074068
Function	Overload and short-c. protect
Max. load, AC-3 [kW]	31,50 kW

Max. trip current	882,0 A
Descript.	CIRCUIT BREAKER
Prod. Group	Contactors and motor starters
Prod. name	CIRCUIT BREAKER
UL approval file	E148460
Used for	MOTORS
