

## Delay module for U actuator 120 VAC

**Part no.** IZM-UVR-TD-120AC  
**Article no.** 122956

### Delivery programme

Product range			Accessories
Accessories			Voltage release
Accessories			Time delay modules
			Only in combination with IZM-UVR110AC Delay times: 0.1 s, 0.5 s, 1.0 s, 2.0 s.
Rated control voltage	U <sub>s</sub>	V	120 V AC
For use with			IZMX16..., IZMX40... INX16..., INX40... IZM20, 32, 40, 63... IN20, 32, 40, 63...
Instructions			Only in combination with undervoltage release IZMX-UVR110AD.

### Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70
