GKH device installation trunking made of halogen-free PC/ABS, suitable for direct wall mounting or on wall brackets. Fastening takes place using the perforation in the trunking. The GKH device installation trunking possesses a C profile on the floor to accept a plastic partition. All the switch programmes with a support ring and support clamp design as well as Modul 45 installation devices can be installed in the accessory mounting boxes of series 71GD.... The system opening is 76.5 mm On each trunking length, a coupling pair is pre-assembled on one side.
