Quick-Pipe set Quick trunking + Quick clip, M16, Light grey, 7035, Polyvinylchloride, PVC

Buy it at [Electric Automation Network](#)

Convenient set consisting of Quick clip and Quick pipe.

The Quick pipe combines the advantages of cable ducting and installation pipe into an intelligent system. This system allows tidy and safe surface-mounted installation of all kinds of cables on walls and ceilings. Quick pipe is available in four metric sizes: M16, M20, M25 and M32 and the stock length is 2 m.

The system is VDE-tested and achieves a protection rating of IP44. The Quick pipe can be used in the temperature range from -25 to +60 °C and is resistant to an impact energy of 5 J.
