Golden Sprint screw panhead, +/- slot drive, 6x40mm, Electrogalvanised, yellow passivated, Steel, St

[Buy it at Electric Automation Network](#)

Hardened steel, electrogalvanised and yellow passivated, as well as Hostaflon-coated, panhead with combined Philips and slotted head (Pozidrive size 2 except Ø 6 mm Pozidrive size 3).

The use of Sprint screws leads to considerably reduced screw-in times compared with standard screws. This noticeable advantage comes from the point with the first thread, which leads on to the double thread beyond.

Areas of use: wood, chipboard, Rigips panels, plastic anchors.
