SurgeController V20 plug-in arrester f.
PV systems, 500V DC,

Buy it at [Electric Automation Network](#)

V20-C/...PV: SurgeController upper part, type 2, surge arrester for photovoltaic systems

- For surge voltage protection equipotential bonding to VDE 0100-443 (IEC 60364-4-44)
- Arresting capacity to 40 kA (8/20) per pin
- Low DC protection level: • Arrester, connectable with thermodynamic cut-off unit and visual function display
- Encapsulated, non-extinguishing zinc oxide varistor arrester for use in distributor housings
- High current carrying capacity with long lifespan

Application example: PV systems with or without separated insulated lightning protection system
