Buy it at [Electric Automation Network](#)

ISS aluminium service pole with a 76.5 mm system opening.

Set consists of:

1 single-compartment pole with clamping fastening

Total length 3,315–3,480 mm

1 ceiling attachment with clamp

1 aluminium cover

Length: 3,000 mm

The service pole is suitable for accepting front-locking accessory mounting boxes of the series 71GD... Optionally, a partition, type TW (6288256), and installation of a cover clip, type KL80A (6288640), are possible.

The service pole is pre-mounted and ready for use immediately. The following accessories can be used, depending on the mounting situation.
