Marker for terminal blocks - US-TMF 100 CUS - 0829949

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

Marker for terminal blocks, can be ordered: By card, white, labeled according to customer specifications, Mounting type: Snap into universal marker groove, Snap into flat marker groove, Lettering field: 104 x 6.6 mm

Why buy this product

- The markers, which are supplied as uniform cards, can be labeled quickly, easily, and precisely using the THERMOMARK CARD
- The cards provide space for including function texts
- The perforated marking strips are easy to separate and can be easily fitted
- The US-TMF 100 UniSheet markers are suitable for products with a flat marker groove
- Labeling service: Phoenix Contact can custom-label all UniSheet markers according to your requirements
