Terminal box - FB-15-SS - 2316190

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (http://phoenixcontact.com/download)

Stainless steel field junction box with 15 ports for use in hazardous locations. Includes FB-ET trunk module, Plugtrab base with option for surge protection plug, and DIN rail space for up to 12 device couplers.

Why buy this product

- Cable glands, plugs, and breather must be ordered separately
- Developed specifically for field device coupler systems
- Each housing has M20 ports and can be configured as desired
- Busbar and shield clamps
- Includes an FB-ET trunk line module and enables the installation of additional couplers and PT plugs
- Entries for the trunk line (input/output) and breather connections
