### Switch-disconnector, 3p, 4000A, withdrawable part

IN40N3-40W Part no. Catalog No. 124205

| Del | livery | , nro | gram |
|-----|--------|-------|------|
|     |        | piu   | gram |

| Product range                               |                 |    | Air circuit-breakers/switch-disconnectors |
|---|-----------------|----|---|
| Product range                               |                 |    | Open switch-disconnectors                 |
| Current Range                               |                 |    | 4000 to 6300 A                            |
| Protective function                         |                 |    | without protection                        |
| Installation type                           |                 |    | Withdrawable                              |
| Construction size                           |                 |    | IN40                                      |
| Standard/Approval                           |                 |    | IEC                                       |
| Number of poles                             |                 |    | 3 pole                                    |
| Degree of Protection                        |                 |    | IP20, IP55 with protective cover          |
| Rated current = rated uninterrupted current | $I_n = I_u$     | Α  | 4000                                      |
| up to 440 V 50/60 Hz                        | I <sub>cm</sub> | kA | 138                                       |
| t = 1 s                                     | I <sub>cw</sub> | kA | 85  |
| t=3s  | I <sub>cw</sub> | kA | 65  |

#### Notes

Including rear connection main terminals and secondary terminal blocks according to ordered breaker options.

Note concerning the product

Cassette needs to be ordered separately.
