Caractéristiques techniques ETIM 4.0

Width		mm	70 mm
Model			DIN-rail
Height		mm	89 mm
Voltage type			-
Modular version			true
Accuracy class			1.5
Measuring range		A	600 A
Width in number of modular spacings			4
Calibrated			false
Power loss		W	0 W
Transformer connection			false
Max. needle deflection		°	0 °
Measurement system			Other
Nominal end value of the scale		A	0 A
Over current scale			false
Scales lighting			false
Stay-set indicator			false
