

Surge arrester, 1p, 280VAC

Référence **SPB-12/280**
 N° de catalogue **284698**

Caractéristiques techniques ETIM 4.0

System configuration			TN S Net
Number of poles			1
Lightning impulse current (10/350)		kA	12,5
Max. continuous voltage AC		V	0
Nominal voltage DC		V	0
Nominal voltage AC		V	370
Voltage protection level		kV	1,5
Max. safety level L-N		kV	0
Max. safety level L-PE/N-PE		kV	1,5
Mains follow-up current quenching capacity		kA	0
Conductor cross section solid (solid, stranded)		mm ²	4 - 25
Conductor cross section flexible (fine-strand) with cable end sleeve		mm ²	4 - 25
Construction size			1 modular spacing
Remote signalling			No
Signalling at the device			Optic
Category			Type 1 + 2
Exhausting			No
