

Cable entry / flange plate for W=800mm, pass-through flange

**Part no.** BP-FLP-800-2K  
**286711**  
**EL Number** 2456044  
**(Norway)**

| General specifications                 |  |                                     |
|--|--|-------------------------------------|
| Product name                           |  | Eaton xEnergy Basic other accessory |
| Part no.                               |  | BP-FLP-800-2K                       |

| Color                                  |  | Light gray (RAL 7035)               |
| Technical Data - Mechanical            |  |                                     |
| Shape                                  |  | Straight                            |
| Surface finishing                      |  | With powder coating                 |
| Surface protection                     |  | Powder coating                      |
| Mounting method                        |  | Surface mounting                    |
| Material                               |  | Steel<br>Sheet steel                |
| Degree of protection                   |  | IP30<br>Other                       |
| Number of connector holes              |  | 24                                  |
| Cable entry type                       |  | 2K-flange                           |
| Housing material                       |  | Sheet steel                         |
| Thickness                              |  | 1 mm                                |
| Thread type                            |  | None                                |
| Suitable for nominal thread (PG) - min |  | 10                                  |
| Suitable for nominal thread (PG) - max |  | 28                                  |
| Suitable for width                     |  | 800 mm                              |
| Additional information                 |  |                                     |
| Features                               |  | Pre-stamping                        |
| Functions                              |  | Additional equipment                |
