

Shunt release, (2), 110 - 127 V AC / DC

Part no. **+IZM-ST5110AD-1**
303795

General specifications		
Product name		Eaton IZM32/IN32 shunt release
Part no.		+IZM-ST5110AD-1
EAN		9010238192904
Product Length/Depth		203.2 millimetre
Product height		82.55 millimetre
Product width		146.05 millimetre
Product weight		0.595 kilogram
Compliances		RoHS conform
Product Tradename		IZM32/IN32
Product Type		Accessories
Product Sub Type		Shunt release
Product Specification Details		
Accessory/spare part type		Voltage release
Control voltage operating range		110 - 127 V AC (50/60 Hz) 110 - 125 V DC
Special features		If ordered separately a secondary terminal unit IZM-SEC-... is necessary for connection. Order separately if required.
Type		Accessory
Used with		IZM63... IN63...
