

Common locking cylinder lock

Part no. PHZ-E10/30-GS
138574
EL Number 2466205
(Norway)

General specifications		
Product name		Eaton xEffect CS locking system
Part no.		PHZ-E10/30-GS
EAN		4015081353538
Product Length/Depth		40 millimetre
Product height		33 millimetre
Product width		17 millimetre
Product weight		0.118 kilogram
Compliances		RoHS conform
Product Tradename		xEffect CS
Product Type		Accessories
Product Sub Type		Locking system
Delivery program		
Type		General switchboard accessory
Model		Cylinder
Accessory/spare part type		Cylinder locks for comfort handles Closing and locking systems
Additional information		
Key code		Common locking mechanism
Special features		Lock cylinder designed to DIN 18252 and DIN EN 1303 Cylinder lock 10/30 with nickel silver tumblers Lock bit with eight adjustment positions, five pin pairs One key included per cylinder
Used with		Comfort rotary and toggle handles

Technical data ETIM 9.0

Energy distribution systems (EG000015) / Insert for lock system (EC000743)
