

ARCON arc quenching device AQD, universal installation, top/bottom

Part no. **ARC-AT-T/3G**  
**300936**

<b>General specifications</b>		
Product name		Eaton Arc Fault Protection System ARCON quenching device
Part no.		ARC-AT-T/3G
EAN		9010238132672
Product Length/Depth		160 millimetre
Product height		250 millimetre
Product width		470 millimetre
Product weight		16.52 kilogram
Compliances		RoHS conform
Product Tradename		Arc Fault Protection System ARCON
Product Type		Quenching device
Product Sub Type		None
<b>Technical Data - Electrical</b>		
Nominal voltage		Other
Short-circuit current - min		7.5 kA
Short-circuit current - max		150 kA
Frequency rating		50 Hz
Permitted short-circuit duration at 25 kA - max		1000 ms
<b>Technical Data - Mechanical</b>		
Typical reaction time at 25 kA		1 ms
