Flange adapter for CI enclosure

Part no. FT-CI 002319

EL Number 4132376

(Norway)

Product name	(INDIVVAY)	
Part no. EAN Product Length/Depth Product height Product height Product width Product wight Compliances Product Tradename Product Tradename Product Sub Type Accessories Product Sub Type Delivery program Type Accessory for enclosure assembly Basic anclosure Climsulated anclosure Climsulated anclosure Climsulated anclosure Climsulated anclosure Climsulated anclosure Model Accessory/spare part type Color Technical Data - Mechanical Unit type Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building longth/depth Suitable for enclosure building width Additional information Functions RAL-number Used with Basic enclosure	General specifications	
EAN Product Length/Depth Product Length/Depth Product Length/Depth Product width Product width Product width Product width Product Tadename Product Tradename Product Type Product Type Product Type Product Sub Type Product Type Product Type Product Sub Type Product Type Prod	Product name	Eaton xEnergy Safety Ci flange plate
Product Length/Depth Product height Product width Product weight Product weight Product Tradename Product Tradename Product Tradename Product Tradename Product Tradename Product Sub Type Plange plate Accessory for enclosure assembly Basic enclosure C linsulated enclosure C linsulated enclosure C linsulated enclosure C olor Feral Data - Mechanical Unit type Modular system Modular system Modular system Modular system Plastic Load capacity - max O kg Suitable for enclosure building height O mm Suitable for enclosure building length/depth O mm Suitable for enclosure building width Additional information Functions Por connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Accessory for enclosure assembly	Part no.	FT-CI
Product height Product width Product weight Compliances RoHS conform RoHS conform Product Tradename RoHS conform RoHS conf	EAN	4015080023197
Product width Product weight Compliances RoHS conform RoH	Product Length/Depth	7 millimetre
Product veight Compliances Product Tradename Product Type Product Sub Type Product Sub Type Polivery program Type Accessory for enclosure assembly Basic enclosure Clinsulated enclosure Flange adapter Color Technical Data - Mechanical Unit type Material Load capacity - max Okg Suitable for enclosure building leight Suitable for enclosure building leight Suitable for enclosure building width Additional information Functions Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Product height	103 millimetre
Compliances Product Tradename Product Type Product Sub Type Polivery program Type Accessory for enclosure assembly Basic enclosure Clinsulated enclosure Clor Accessory/spare part type Color C	Product width	94 millimetre
Product Tradename Product Type Product Sub Type Delivery program Type Accessory for enclosure assembly Basic enclosure Cl insulated enclosure Model Accessory/spare part type Color Gray Technical Data - Mechanical Unit type Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building length/depth Suitable for enclosure building width Additional information Functions RAL-number Used with Basic enclosure Accessory for enclosure assembly Accessory for enclosure assembly Accessory for enclosure assembly	Product weight	0.063 kilogram
Product Type Product Sub Type Delivery program Type Accessory for enclosure assembly Basic enclosure Cl insulated enclosure Model Accessory/spare part type Color Flange adapter Color Gray Technical Data - Mechanical Unit type Modular system Material Load capacity - max Okg Suitable for enclosure building height Omm Suitable for enclosure building length/depth Omm Suitable for enclosure building width Omm Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Compliances	RoHS conform
Product Sub Type Delivery program Type Accessory for enclosure assembly Basic enclosure Cl insulated enclosure Other Flange adapter Gray Technical Data - Mechanical Unit type Modular system Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building lengthy/depth Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Product Tradename	xEnergy Safety Ci
Type Accessory for enclosure assembly Basic enclosure Cl insulated enclosure Modular system Modular system Modular system Plastic Cl insulated enclosure Diagram Cray Cray Cray Cray Cray Cray Cray Cray	Product Type	Accessories
Type Accessory for enclosure assembly Basic enclosure Cl insulated enclosure Cl insulated enclosure Other Accessory/spare part type Color Flange adapter Color Technical Data - Mechanical Unit type Modular system Material Load capacity - max O kg Suitable for enclosure building height O mm Suitable for enclosure building length/depth Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure Basic enclosure Basic enclosure Basic enclosure Basic enclosure Basic enclosure Accessory for enclosure assembly	Product Sub Type	Flange plate
Basic enclosure Cl insulated enclosure Model Accessory/spare part type Color Flange adapter Color Gray Technical Data - Mechanical Unit type Modular system Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure Cl insulated enclosure Flange adapter Gray Modular system Modular system Modular system O kg O kg O mm Suitable for enclosure building height O mm Suitable for enclosure building width O mm Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Delivery program	
Accessory/spare part type Color Gray Technical Data - Mechanical Unit type Modular system Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building width Suitable for enclosure building width Additional information Functions Functions RAL-number Used with Flange adapter Gray Flange Flange adapter Fray Fray Fray Fory Fory Fory Fory Fory For connecting enclosures with sides of different lengths Basic enclosure Accessory for enclosure assembly	Туре	Basic enclosure
Color Technical Data - Mechanical Unit type Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building length/depth Suitable for enclosure building width Additional information Functions RAL-number RAL-number Used with Gray Modular system Modular system Plastic O kg O mm O mm O mm For connecting enclosure swith sides of different lengths Basic enclosure Accessory for enclosure assembly	Model	Other
Technical Data - Mechanical Unit type Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building length/depth Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Modular system Modular system O kg O mm O mm For omm Basic enclosures with sides of different lengths Basic enclosure Accessory for enclosure assembly	Accessory/spare part type	Flange adapter
Unit type Material Load capacity - max Suitable for enclosure building height Suitable for enclosure building length/depth Suitable for enclosure building width O mm Suitable for enclosure building width O mm Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Modular system Plastic O kg O mm For mm Suitable for enclosure building length/depth O mm For connecting enclosures with sides of different lengths Basic enclosure Accessory for enclosure assembly	Color	Gray
Material Load capacity - max 0 kg Suitable for enclosure building height Suitable for enclosure building length/depth Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Plastic O kg O mm For mm For connecting enclosures with sides of different lengths Basic enclosure RAL-number Dasic enclosure Accessory for enclosure assembly	Technical Data - Mechanical	
Load capacity - max Suitable for enclosure building height O mm Suitable for enclosure building length/depth O mm Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Unit type	Modular system
Suitable for enclosure building height O mm Suitable for enclosure building length/depth O mm Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Material	Plastic
Suitable for enclosure building length/depth O mm Suitable for enclosure building width O mm Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Load capacity - max	0 kg
Suitable for enclosure building width Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Suitable for enclosure building height	0 mm
Additional information Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number Used with Basic enclosure Accessory for enclosure assembly	Suitable for enclosure building length/depth	0 mm
Functions For connecting enclosures with sides of different lengths Basic enclosure RAL-number 7035 Used with Basic enclosure Accessory for enclosure assembly	Suitable for enclosure building width	0 mm
RAL-number 7035 Used with Basic enclosure Accessory for enclosure assembly	Additional information	
Used with Basic enclosure Accessory for enclosure assembly	Functions	
Accessory for enclosure assembly	RAL-number	7035
C. industra and according	Used with	Accessory for enclosure assembly

Technical data ETIM 9.0

Cabinet enclosures (EG000011) / Components for installation (enclosure/cabinet) (EC002620)
