

Earth-fault protection 1150i ZSI

Part no. +IZMX-DTP-GZ
Catalog No. 155573
Alternate Catalog No. IZMX-DTP-GZ

Delivery program

Product range			Accessories
Accessories			Options / accessories trip blocks
Accessories			Add-on function for control unit power monitoring
			External power supply is not required for all listed functions. U Type Universal protection and LCD color display Advanced metering and protective features
			Earth-fault protection can be programmed as a trip or only as an alarm. ZSI (zone selective interlocking) included as standard.
For use with			IZMX...
Notes	IZMX-DTP-PTM external voltage measuring module required		

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)			
Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])			
Type of accessory			Other
