|--|---|--|
| General specifications                                   |   |  |
| Product name   |   | Eaton Moeller series IZMX/INX other accessory  |
| Part no.   | 1 | IZMX-PXRV-1  |
| EAN  | 4 | 4015081782642  |
| Product Length/Depth                                     | 2 | 200 millimetre   |
| Product height   | Ę | 50 millimetre  |
| Product width  | 1 | 100 millimetre   |
| Product weight   | ( | 0.3 kilogram   |
| Compliances  | F | RoHS conform   |
| Product Tradename  | 1 | IZMX/INX   |
| Product Type   | , | Accessories  |
| Product Sub Type   | ( | Other  |
| Delivery program   |   |  |
| Туре   |   | Accessory  |
| Special features   |   | Comes with every basic device type IZMXV<br>Separate trip block (PXR20) for selective protection<br>Type V |
| Used with  | ı | IZMX   |
| Design verification as per IEC/EN 61439 - technical data |   |  |
| Ambient operating temperature - min                      | - | -20 °C   |
| Ambient operating temperature - max                      | 7 | 70 °C  |
| Additional information                                   |   |  |
| Accessory/spare part type                                | ( | Options / accessories trip blocks<br>Communication and measuring function<br>Spare part<br>Accessory       |

## **Technical data ETIM 9.0**

Low-voltage industrial components (EG000017) / Accessories/spare parts for low-voltage switch technology (EC002498)

Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switching technology (accessories) (ecl@ss13-27-37-13-92 [AKN570018])

| Type of accessory/spare part | Communication and measuring function |
|------------------------------|--------------------------------------|
| Accessory                    | Yes                                  |
| Spare part                   | Yes                                  |
