10.12 Electromagnetic compatibility Is the panel builder's responsibility. The specifications for the switchgear must be		
		observed.
	IU. 12 Electromagnetic compatibility	

The device meets the requirements, provided the information in the instruction leaflet (IL) is observed.

Technical data ETIM 9.0

Low-voltage industrial components (EG000017) / Switch operating shaft (EC000916)

Electric engineering, automation, process control engineering / Low-voltage switch technology / Circuit breaker (LV < 1 kV) / Switch axle (ecl@ss13-27-37-04-13 [AKF011018])				
Length	mm	9		
Cross section height	mm	0		
Cross section width	mm	0
