

Protective cover IP55. AV

Part no. IZMX-DC40-W
Catalog No. 156663
Alternate Catalog No. IZMX-DC40-W
EL-Nummer (Norway) 4357575

Delivery program

Product range		Accessories
Accessories		Protective cover
For use with		IZMX40...W INX40...W
Information about equipment supplied		The mounting kit includes a protective cover, a hinge, a door seal, and fixing material.

Design verification as per IEC/EN 61439

Technical data for design verification		
Operating ambient temperature min.	°C	-25
Operating ambient temperature max.	°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)		
Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])		
Type of accessory		Cover
