# DATASHEET - M22-XDP-S-X1

Part no.

No.

Button plate, mushroom black, l

M22-XDP-S-X1 Catalog No. 218255 Alternate Catalog M22-XDP-S-X10

### **Delivery program**

| Product range              | Accessories  |
|----------------------------|--|
| Basic function accessories | Button plates for pushbutton actuators                                   |
| Description                | ≦ 5 characters: letter height 5 mm<br>> 5 characters: letter height 3 mm |
| Name                       | START  |
| Selection to               | Symbol   |
| For use with               | M22(S)-D(R)P   |
| Colour, symbol             |  |
|                            |  |
| Connection to SmartWire-DT | no   |

## **Technical data**

#### General

| Ambient temperature |    |           |
|---------------------|----|-----------|
| Open                | °C | -25 - +70 |

# **Design verification as per IEC/EN 61439**

| Design vernication as per 120/214 01455   |                   |    |  |
|---|-------------------|----|--|
| Technical data for design verification  |                   |    |  |
| Rated operational current for specified heat dissipation  | In                | А  | 0  |
| Heat dissipation per pole, current-dependent  | P <sub>vid</sub>  | W  | 0  |
| Equipment heat dissipation, current-dependent   | P <sub>vid</sub>  | W  | 0  |
| Static heat dissipation, non-current-dependent  | P <sub>vs</sub>   | W  | 0  |
| Heat dissipation capacity   | P <sub>diss</sub> | W  | 0  |
| Operating ambient temperature min.  |                   | °C | -25  |
| Operating ambient temperature max.  |                   | °C | 70   |
| IEC/EN 61439 design verification  |                   |    |  |
| 10.2 Strength of materials and parts  |                   |    |  |
| 10.2.2 Corrosion resistance   |                   |    | Meets the product standard's requirements.                         |
| 10.2.3.1 Verification of thermal stability of enclosures  |                   |    | Meets the product standard's requirements.                         |
| 10.2.3.2 Verification of resistance of insulating materials to normal heat  |                   |    | Meets the product standard's requirements.                         |
| 10.2.3.3 Verification of resistance of insulating materials to abnormal heat<br>and fire due to internal electric effects |                   |    | Meets the product standard's requirements.                         |
| 10.2.4 Resistance to ultra-violet (UV) radiation  |                   |    | Please enquire   |
| 10.2.5 Lifting  |                   |    | Does not apply, since the entire switchgear needs to be evaluated. |
| 10.2.6 Mechanical impact  |                   |    | Does not apply, since the entire switchgear needs to be evaluated. |
| 10.2.7 Inscriptions   |                   |    | Meets the product standard's requirements.                         |
| 10.3 Degree of protection of ASSEMBLIES   |                   |    | Does not apply, since the entire switchgear needs to be evaluated. |
| 10.4 Clearances and creepage distances  |                   |    | Meets the product standard's requirements.                         |
| 10.5 Protection against electric shock  |                   |    | Does not apply, since the entire switchgear needs to be evaluated. |
| 10.6 Incorporation of switching devices and components  |                   |    | Does not apply, since the entire switchgear needs to be evaluated. |
| 10.7 Internal electrical circuits and connections   |                   |    | Is the panel builder's responsibility.                             |
|   |                   |    |  |

| 10.8 Connections for external conductors                 | Is the panel builder's responsibility.   |
|--|--|
| 10.9 Insulation properties                               |  |
| 10.9.2 Power-frequency electric strength                 | Is the panel builder's responsibility.   |
| 10.9.3 Impulse withstand voltage                         | Is the panel builder's responsibility.   |
| 10.9.4 Testing of enclosures made of insulating material | Is the panel builder's responsibility.   |
| 10.10 Temperature rise                                   | Not applicable.  |
| 10.11 Short-circuit rating                               | Is the panel builder's responsibility. The specifications for the switchgear must be observed.           |
| 10.12 Electromagnetic compatibility                      | Is the panel builder's responsibility. The specifications for the switchgear must be observed.           |
| 10.13 Mechanical function                                | The device meets the requirements, provided the information in the instruction leaflet (IL) is observed. |

### **Technical data ETIM 7.0**

Low-voltage industrial components (EG000017) / Legend plate for control circuit devices (EC000621)

Electric engineering, automation, process control engineering / Low-voltage switch technology / Command and alarm device / Button plate for command and alarm devices (ecl@ss10.0.1-27-37-12-24 [AKF042014])

| Shape                                 |    | Round           |
|---------------------------------------|----|-----------------|
| Construction type                     |    | Flat            |
| Colour                                |    | Black           |
| Imprint                               |    | Other           |
| Imprint ISO symbols                   |    | "Symbol "" I "" |
| Engravable                            |    | No              |
| Programme diameter                    | mm | m 22            |
| Width                                 | mm | m O             |
| Height                                | mm | m O             |
| Outer diameter                        | mm | m 22.5          |
| Suitable for push button              |    | Yes             |
| Suitable for illuminated push buttons |    | No              |
| Suitable for indicator light          |    | No              |
| Mushroom head push button             |    | No              |
| Suitable for signalling lamp          |    | No              |
| Suitable for selector switch          |    | No              |
