

Control unit type U, DT520MC

Part no. IZMX-DTU
Catalog No. 124014

EL-Nummer 0004357378
(Norway)

Delivery program

Product range		Accessories
Accessories		Options / accessories trip blocks
Accessories		Control unit universal protection
		Type U
		U-Type Universal Protection
		Comes with every basic device type IZMX...-U...

Design verification as per IEC/EN 61439

Technical data for design verification		
Operating ambient temperature min.	°C	-25
Operating ambient temperature max.	°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)		
Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])		
Type of accessory		Communication and measuring function
