

Glass fiber adapter, comet series

Part no. 6235A-6501
Catalog No. 135759
Alternate Catalog No. 6235A-6501

Delivery program

Basic function			Accessories
Accessories			Glass fibre-Component adapter
Description			In combination with reflex sensors
Material			Metal
For use with			
For use with			13106A... 13100A... E51KF...
Notes In combination with reflex sensors 13106A... or 13100A... and E51KF fiber optic			

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-40
Operating ambient temperature max.		°C	70

Technical data ETIM 6.0

Sensors (EG000026) / Sensor-actuator connector (EC002062)			
Electric engineering, automation, process control engineering / Connector system / Industry connector / Sensor-actuator connector (sensor technology acc.) (ecl@ss8.1-27-44-01-04 [ACN876008])			
Type of connection socket for actuators and sensors			-
Model			-
Position cable feed			-
Number of poles			-
Type of electric connection			-
Screened			No
Core cross section		mm ²	0
Permitted cable diameter		mm	0 - 0
Material housing			Other

Approvals

Product Standards			none
