DATASHEET - IZMX-DT-PS

Digitrip Power Supply

Part no. IZMX-DT-PS Catalog No. 156662 Alternate Catalog IZMX-DT-PS

Delivery program

Product range			Accessories
Accessories			Options / accessories trip blocks
Accessories			Power supply
Rated control voltage	U_s	V	24 V DC
For use with			IZMX16 IZMX40

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.	0	°C	-25
Operating ambient temperature max.	0	°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)

Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])

Type of accessory Other
