

## DATASHEET - +IZMX-AS66-1

**Signalling switch ON-OFF, 6W**

**Part no.** +IZMX-AS66-1  
**Catalog No.** 184169  
**Alternate Catalog No.** 67C2823G68

### Delivery program

|               |  |  |                                                                                                                        |
|---------------|--|--|------------------------------------------------------------------------------------------------------------------------|
| Product range |  |  | Accessories                                                                                                            |
| Accessories   |  |  | Auxiliary contact                                                                                                      |
| Accessories   |  |  | Standard auxiliary switch for On-Off signaling                                                                         |
|               |  |  | The basic device already contains two changeover contacts. 6 additionally integrated changeover contacts are included. |
| For use with  |  |  | IZMX40...<br>INX40...                                                                                                  |
|               |  |  | 6 changeover contacts                                                                                                  |

### Technical data

#### Rated breaking capacity

|                |  |   |      |
|----------------|--|---|------|
| Inductive load |  |   |      |
| 250 V AC       |  | A | 10   |
| 125 V DC       |  | A | 0.5  |
| 250 V DC       |  | A | 0.25 |

### Design verification as per IEC/EN 61439

|                                        |  |    |     |
|----------------------------------------|--|----|-----|
| Technical data for design verification |  |    |     |
| Operating ambient temperature min.     |  | °C | -25 |
| Operating ambient temperature max.     |  | °C | 70  |

### Technical data ETIM 7.0

|                                                                                                                                                                                                                |  |   |                         |
