

KT cable shears

KNIPLEX ratchet shears for conductors with an outer diameter of up to 60 mm, ergonomic design, made in Germany

Benefits

- Trouble-free cutting with lightweight and optimum transmission ratio
- One-hand operation through ratchet principle
- Less power required due to very high transmission ratio
- Optimum leverage due to 2-way gear rim drive (KT 6: 3-way gear rim drive)

Application range

Not suitable for steel wire / hard aluminium alloys / hard-drawn copper conductors

Product features

- Swivel knife can be unlocked in any cutting position with a press of the thumb
- Cuts smoothly and cleanly without crushing
