

PRODUCT-DETAILS

TH/U 1.1.ZA

TH/U 1.1.ZA Card Holder Zenit Anthracite

General Information

Extended Product Type	TH/U 1.1.ZA
Product ID	2CSY249430R5200
EAN	8012542652328
Catalog Description	TH/U 1.1.ZA Card Holder Zenit Anthracite

Long Description

The "transponder holder" is a flush-mounting device for British Standard wall boxes, designed to realize access control systems with a communication support based on KNX bus. It is equipped with one relay (4A @24V AC/DC) and one binary input to be used for connecting external conventional push-button for switch, dimmer and shutter functionalities, or for example for connecting window contact or similar. The output can be programmed as "Linked to access control", receiving in this case switching commands from the device itself (according to card insertion/removal); or being a standard KNX Switch actuator output, able to be controlled by every KNX-standard devices. The white blinking LED placed on the front of the device allow you to monitor device operation and can be also switched ON/OFF in the proper color according to KNX. The transponder reader requires a 12...24 V AC/DC external power supply to ensure its operation even with bus voltage failure.

Installation

Instructions and Manuals	2CKA001473B5157
--------------------------	-----------------

Technical

Data Sheet, Technical Information	2CKA000173B5037
Power Supply Type	Integrated
Product Range	KNX
Model Number	Card Holder
Color	Anthracite
Application Function	Hospitality

Environmental

Conflict Minerals Reporting Template (CMRT)	9AKK108468A3363
