

PRODUCT-DETAILS

TH/U 1.1.ZA

TH/U 1.1.ZA Card Holder Zenit Anthracite

Informações gerais

Tipo de produto alargado	TH/U 1.1.ZA
ID do produto	2CSY249430R5200
EAN	8012542652328
Descrição do catálogo	TH/U 1.1.ZA Card Holder Zenit Anthracite

Descrição longa

The "transponder holder" is a flush-mounting device for British Standard wall boxes, designed to realize access control systems with a communication support based on KNX bus. It is equipped with one relay (4A @24V AC/DC) and one binary input to be used for connecting external conventional push-button for switch, dimmer and shutter functionalities, or for example for connecting window contact or similar. The output can be programmed as "Linked to access control", receiving in this case switching commands from the device itself (according to card insertion/removal); or being a standard KNX Switch actuator output, able to be controlled by every KNX-standard devices. The white blinking LED placed on the front of the device allow you to monitor device operation and can be also switched ON/OFF in the proper color according to KNX. The transponder reader requires a 12...24 V AC/DC external power supply to ensure its operation even with bus voltage failure.

Installation

Instruções e Manuais	2CKA001473B5157
----------------------	-----------------

Technical

Ficha de dados, informação técnica	2CKA000173B5037
Power Supply Type	Integrated
Product Range	KNX
Model Number	Card Holder
Color	Anthracite
Application Function	Hospitality

Environmental

Conflict Minerals Reporting Template (CMRT)	9AKK108468A3363
---------------------------------------------	-----------------

Dimensions

Largura Líquida do Produto	44 mm
Altura Líquida do Produto	43 mm
Profundidade/Comprimento Líquidos do Produto	44 mm
Peso Líquido do Produto	0.018 kg
Built-In Depth (t ₂)	43 mm

Certificates and Declarations

Declaração de conformidade - CE	2CSC500009D2701
---------------------------------	-----------------

Classifications

ETIM 8	EC002971 - System device clinic-installation
ETIM 9	EC002971 - System device clinic-installation
Categoria REEE	5. Small Equipment (No External Dimension More Than 50 cm)
